

HOW TO GET TO ICERA

- * From Nice airport follow the directions to the A8 motorway.
- * Enter motorway (west bound), and take the Aix/Marseille direction
- * Continue along motorway for about 20km and leave at the Antibes/Juan les Pins Exit.
- * The exit is just after the long upward hill, and immediately BEFORE the lane of toll booths which continue to Aix/Marseille. Exit the motorway, keep to the LEFT and follow the signs to Sophia Antipolis.
- * Go up the hill for about 6km. Stay on the main road (don't take any of the roads turning off to the right that lead into different parts of Sophia), until you reach a large round-about, "Les Bouillides"
- * There bear to your right and enter the site of Sophia Antipolis. Then, follow the signs marked "Mediathel".
- * Continue for about 50m, the entrance to "WTC 1" is the first turning on the right

N.B.: It's quite difficult to find your way around Sophia, but there are several points in the area where you have access to maps and directions.
